How to make:

1. Cut a rectangular piece of white card and fold in the center to create a long-fold horizontal card.
2. Cut a rectangular piece of colored card to fit on the card front.
3. Emboss the gold card using the Doily embossing folder and cut to size in order to fit onto the colored card, allowing for a border.
4. Stamp the New Home stamp on white card and die-cut a circle with the phrase in the center.
5. Glue the gold embossed card onto the colored card.
6. Glue the circle onto the ribbon, then glue onto the gold and colored card, wrapping the ribbon around the back and gluing in place.
7. Glue the piece onto the card and finish off with gold gems either side of the stamped phrase.
