How to make:

1. Die-cut a flower using the Bold Blossoms die set out of shrink plastic.
2. Punch a small hole at the top of the flower.
3. Ink the flower using pink distress inks. Remember to do this on the matte side.
4. Heat the plastic with heat tool until it has shrunk and flattened.
5. Thread the charm, along with two pink beads onto the gold fastening.
6. Attach onto your favorite glass.
