How to make:

1. Die-cut the box using the Box and Labels die set out of white card and assemble using double-sided tape.
2. Stamp the flower shape from the Detailed Tropics stamp set in a desired pattern onto a strip of white card.
3. Emboss a small piece of stencil film using the Geometric Lattice 3-D Embossing.
4. Die-cut the three circles from the Stacked Circles die set out of pink card, white card and the embossed stencil film.
5. Wrap a piece of pink ribbon around the box, followed by the strip of stamped white card and then a few strands of thin white string.
6. Stamp a desired icon from the Detailed Tropics stamp set onto the white die-cut circle.
7. Using the foam tape adhere the pink circle, stencil film circle followed by the white stamped circle onto the box.
