1. Using your Sizzix® Big Shot® Machine, emboss strips of pink cardstock using the Botanicals embossing folder.
2. Die-cut the petals of the flower using the Summer Bloom die out of white crepe paper.
3. Using the Paper Sculpting Kit, sculpt the flower petals to make them more 3-D and then assemble the flowers using glue.
4. Wrap your present in white wrapping paper.
5. Use the double-sided tape to attach the strips of embossed cardstock together so they are long enough to go around your gift.
6. Wrap the embossed cardstock and white string around your gift and secure with glue or double-sided tape.
7. Glue the flower and fake foliage in place, on top of the embossed strip of cardstock.
