Sizzix® Thinlits® Die Set 17PK - Bold Flora (664397)
Sizzix™ Tool – Heat Tool, Dual Speed (663706)
Sizzix™ Making Essentials - Cardstock 8 1/4" x 11 5/8", 20 Assorted Colors, 80 Sheets (663007)
Pink Watercolor paint
Paintbrush
Printed Calendar
White Cardstock

How to make:

1. Lightly watercolor wash a piece of white cardstock with the pink watercolor paint.
2. Leave to dry or use the heat tool to speed up the process.
3. Die-cut the letters of the month you wish to use out of white cardstock.
4. Glue these to the middle of the watercolor piece of card.
5. Die-cut the floral elements from the Bold Flora die set and arrange around the die-cut letters.
6. Cut the watercolor paper down to a rectangle, this will cut off some of your floral elements but will create a nice border for the month.
7. Mount to the top middle of a piece of white card.
8. Adhere the printed calendar underneath.
9. Mount the design onto a piece of pink cardstock.
