Sizzix™ Making Essentials - Cardstock Sheets (663007)  
Glue  
White Cardstock  
Patterned Cardstock  
Blue and Pink string  
Double Sided Tape  
Printed Sentiment

## How to make:

1. Die-cut all the elements of the cake box die set from a variety of colored, patterned and white cardstock.
2. Assemble the box using the image below as a guide to how it should look. To secure the box in place, use double sided tape or glue.
3. Glue the printed sentiment onto the tag.
4. Wrap the egg die cuts with colorful string.
5. Adhere the eggs to the top left of the tag.
6. Thread the tag onto the blue string.
7. Wrap the blue string around the cake box. Make sure the tag stays on the top of the box.
8. Keep the string taut and secure at the bottom using hot glue.
