White Wrapping Paper

Glue

How to make:

1. Emboss strips of blue cardstock using Adorned Tile embossing folder.
2. Die-cut the layers of the flower using the Floral Blossom die set out of white and light blue cardstock.
3. Using the Paper Sculpting Kit, sculpt the flower petals to make them more 3-D and then assemble the flowers using glue.
4. Wrap your present in white wrapping paper.
5. Use the double-sided tape to attach the strips of embossed cardstock together so they are long enough to go around your gift.
6. Wrap the embossed cardstock around your gift and secure with glue or double-sided tape.
7. Glue the flower in place, on top of the embossed strip of cardstock.
